

*Growing the heart of the community
through the Pemberton Farmers' Market*

Pemberton Farmers' Market Association

Community Group Application

June 5th – October 25th, 2019

Fridays, 3:00 – 6:30 PM

Community Barn, 7437 Frontier St., Pemberton

*The Pemberton Farmers' Market strives to cultivate a vibrant market
for local growers and makers, welcoming consumers to gather and connect with
producers of a diverse selection of quality products from our region.*

As a non-profit organization, we continue to strive towards financial self-sustainability through the operation of the social enterprise. **The PFM welcomes the Community Groups at our market in order to further your mandate and community outreach initiatives (non-political and non-religious).** The PFM values your presence at our market as it contributes to the community spirit and the inclusive and welcoming atmosphere the PFM strives to foster.

We welcome community groups up to five times per group, per market season, pending space and availability, on a case by case basis. We offer this at no charge for the first 5 markets. After that, we will ask that regular vendor and membership fees are paid. Community Groups may fundraise through hosting activities, rather than the sale of products. Some exceptions may apply.

Full 2019 Season (21 weeks)					

Please submit applications by email: info@pembertonfarmersmarket.com

By mail: Pemberton Farmers' Market, PO Box 994, Pemberton BC V0N 2L0
 Or arrange pick up or drop off with Market Manager, Molli Reynolds by email (above) or cell: 604-966-4422.

Our Expectations:

- Please have your table set up and ready to receive guests by 3pm. It is required that you stay until market close at 6:30 alongside our other vendors.
- You must park your vehicle off-site in the Pemberton Hotel parking lot or by the grassy field north of the Barn.

Please note: due to the Pemberton Downtown Enhancement Project there may be some adjustments made to access and parking at the barn which will be communicated as soon as we have further details from the Village of Pemberton.

- Please bring a children's arts or crafts activity for the public related to your cause. This can be as simple as a colouring sheet or as elaborate as you would like (see fundraising opportunity described above). Please note our Market Manager is not able to supervise crafting activities.
- Please communicate any space requirements with your application (electricity, tent etc.)
- Please take the opportunity to connect with the PFM on Facebook and Instagram in order that we can support your advertising efforts prior to your confirmed market dates.

As a valued friend of the Pemberton Farmers' Market, we would appreciate if you would complete the following survey. This information will support our endeavor to bring events, workshops and live entertainment to the community that support our vision of "Growing the heart of the community through the Pemberton Farmers' Market" and to strive towards self-sufficiency with a variety of fundraising events such as our annual "Stone Soup Celebration".

Yes No Maybe

- We would be available to volunteer at PFM events and workshops.
- We would be interested in supporting the PFM team with fundraising events.
- We would be available to participate in committee work for the PFM.
- We would like to receive the monthly PFM Market Update email.
